

# Join the Patient and Family Advisory Council

Team REHAB always strives to be the best we can be for our patients, and with your support, we can be even better. As a patient or patient's family member, your unique perspective can help guide REHAB's decisions to positively impact future patients' experiences.

Whether it be sharing your own rehabilitation journey or collaborating with the care team to improve our programs, we want to hear what you have to say. Help us forge the future of REHAB, apply to be on the Patient and Family Advisory Council today!

## WHAT TO EXPECT

The Patient and Family Advisory Council was established to provide a direct link between patients and care decisions made at the hospital. As an advisor, you will:

Provide valuable insight into the patient and family experience

Review educational materials from the patient or family perspective

Collaborate with your fellow advisors and REHAB staff to improve programs and procedures

Act as a liaison between patients, their families, and REHAB's leadership

Apply Today

## HOW TO APPLY

All former REHAB patients and their family members are invited to apply. Scan the QR code or visit [rehabhospital.link/PFAC](https://rehabhospital.link/PFAC) to access the application. Contact the Director of Quality at 808.566.3541 for more information.

## SCHEDULE

Advisors meet four times per year at REHAB's Nuuanu Campus. Meetings are approximately one to two hours long and are scheduled based on advisors' availability. Advisors may elect to take on additional hours outside of the quarterly meetings.
